Insurance will only be covered if shipper so instructs at the time of shipment and the value is entered in to this declaration. The insurance is governed by the policy and no further responsibility can be accepted by Zimparcel Parcel Express Ltd. This only covers the Motorcar if lost or stolen; it does not cover for any damage or loss of parts.

Conditions

Zimparcel Express Ltd, and/or their agents are acting as forwarding agents only on behalf of the car owner and therefore cannot assume responsibility whatsoever for the acts of steamship lines, carriers or their representatives for losses or damage due to acts of god, strikes, war, public disturbance or similar occurrences beyond its control. Unless otherwise specified herein, all shipping and forwarding work is undertaken by us on the conditions of the Institute of Freight Forwarders Ltd, (latest edition). Rates, departures, arrival dates etc., are given in good faith according to information received from carriers or their agents and no responsibility can be assumed for expenses or losses due to changes, irrespective of cause. Furthermore, Zimparcel Express Ltd., their agents or the insurance company will not assume any responsibility for the car. Zimparcel Express Ltd shall have a general lien on the vehicle pending settlement of all charges, duties and expenses incurred in connection with shipment. Selection of carriers, drivers, agents etc, is at the option of Zimparcel Express Ltd, and all sub-contracts with those companies or persons are considered as having been accomplished by the car owner. For shipments from Sept. 1st to April 30th, cars must have antifreeze protection. Any claim or action against Zimparcel Express Ltd shall only be made in England and the laws of this country shall apply. This is to be considered the only contract and all clauses are accepted by both parties.

The undersigned owner or designed representative herewith authorises Zimparcel Express Ltd. to proceed with shipment. All terms and provisions in this contract are agreed to.
